

**Richard Gruver, CPA**  
*Chief Financial Officer*

Mr. Gruver serves as the CFO for Excalibur Almaz Limited and Excalibur Almaz Incorporated (EAI). He has been Excalibur's top financial executive since company inception, and has been involved with the new commercial space flight world for many years also serving as the CFO for Starcraft Boosters, Inc., which focused on innovative approaches to space launch. He has more than 20 years of experience in financial operations, business development, human resources, contracts support, audit and strategic management.

He began his career with KPMG, a global firm that provides professional audit, tax and advisory services. Mr. Gruver has held senior management positions with Dell Computers, First Union National Bank and CompuAdd. Gruver established both controller and treasury functions for several successful start-up companies including all accounting and financial processes and is experienced in budgeting, tax liability, global commercial financing and program administration.

Gruver holds a Bachelor's Degree in Business Administration with a major in accounting from The University of Texas in Austin. He received his certification as a Certified Public Accountant (CPA) from the Texas State Board of Public Accountancy in 1989 and is currently licensed in Texas. He volunteers in his local community as the Treasurer for the Meals on Wheels Program.
